	Module Name:	SauceDemo E-Commerce - Functional & UI Test Cases											
	Test Case ID:	st_01											
Tester Name:	Madhavi												
Test Case Descri	To validate the functionality of user authentication, product catalog, cart management, checkout workflow, and UI responsiveness on SauceDemo web application.												
Prerequisites:	1. Stable internet connection 2. Supported browsers for cross-browser testing (Chrome, Firefox, Edge) 3. Valid URL for SauceDemo application 4. Valid test user credentials (standard_user, problem_user, visual_user)												
Environment Info	OS: Windows 11 / macOS System: Laptop Webpage URL: https://www.saucedemo.com												

Scenario ID	Module / Feature	Test Scenario	Test Steps	Expected Result	Actual Result	Status
1a	Login	Login with valid credentials	1. Navigate to https://www.saucedemo.com 2. Enter username 'standard_user' 3. Enter password 'secret_sauce' 4. Click 'Login' button	User logs in successfully and is redirected to the product inventory page.	User logged in successfully. Products page displayed.	PASS
1b	Login	Login with invalid password	1. Navigate to SauceDemo 2. Enter username 'standard_user' 3. Enter password 'invalid_password' 4. Click 'Login'	Error message displayed: 'Epic sadface: Username and password do not match any user in this service'.	Error message displayed as expected.	PASS
1c	Login	Login with empty fields	1. Navigate to SauceDemo 2. Leave username and password blank 3. Click 'Login'	Error message displayed: 'Epic sadface: Username is required'.	Error message displayed correctly.	PASS
2a	Product Display	Image verification for visual_user	1. Login with username 'visual_user' and password 'secret_sauce' 2. Observe product images on inventory page	All product items show their correct corresponding images.	Product images are misaligned/wrong (e.g., Backpack image shows wrong item).	FAIL (BUG-001)
2b	Product Display	Product Sorting by Price	1. Login with 'standard_user' 2. Select sort option 'Price (low to high)' from dropdown	Products are sorted in ascending order of price ($7.99 to $49.99).	Products correctly sorted by price.	PASS
3a	Add to Cart	Add single item to cart	1. Login with 'standard_user' 2. Click 'Add to cart' on Sauce Labs Backpack	Cart badge count updates to '1' and button text changes to 'Remove'.	Cart badge updated to 1. Button changed to 'Remove'.	PASS
3b	Remove from Cart	Remove item from inventory page	1. Add item to cart 2. Click 'Remove' button on the same product card	Item is removed from cart and cart badge count decreases or disappears.	Badge updated and item removed from cart.	PASS
4a	Cart Page	Verify items in shopping cart	1. Add 2 items to cart 2. Click Cart icon in top right header	Cart page opens displaying the 2 selected items with correct names and prices.	Cart page shows correct items and prices.	PASS
5a	Checkout	Checkout form validation for problem_user	1. Login with 'problem_user' 2. Add item & proceed to Checkout 3. Enter First Name, Last Name, Zip Code 4. Click 'Continue'	User redirected to Overview page with all details accepted.	Error displayed: 'Error: Last Name is required' even when filled.	FAIL (BUG-002)
5b	Checkout	Complete full purchase process	1. Login with 'standard_user' 2. Add item -> Go to Cart -> Checkout 3. Enter details -> Click Continue -> Click Finish	Display 'THANK YOU FOR YOUR ORDER' success header.	Order completed successfully.	PASS
6a	Logout	Logout from sidebar menu	1. Open side menu (top left) 2. Click 'Logout' link	User logged out and redirected back to the Login page.	Successfully redirected to login screen.	PASS

Bug Reports

Bug ID	Severity	Priority	Bug Title	Steps to Reproduce	Expected Result	Actual Result
BUG-001	Medium	Medium	Incorrect product images displayed for visual_user	1. Open SauceDemo website (https://www.saucedemo.com/). 2. Enter Username: visual_user and Password: secret_sauce. 3. Click on Login. 4. Observe the inventory product list thumbnail images.	Every product should display its actual corresponding product image.	Multiple product images are broken or showing wrong/misaligned images (e.g., Backpack displays a different item photo).
BUG-002	High	High	Last Name field validation error during checkout for problem_user	1. Login with Username: problem_user and Password: secret_sauce. 2. Add any item to cart and navigate to Checkout step 1. 3. Fill in First Name, Last Name, and Zip Code. 4. Click Continue button.	User should be successfully navigated to Checkout Overview page.	System throws error 'Error: Last Name is required' even though the Last Name field was properly filled out.
